CAREER OBJECTIVE

A motivated and results-driven individual dedicated to maximizing efficiency and adding value to the organization. Committed to applying my skills effectively while continuously learning and improving to contribute meaningfully to success and growth

PROJECT

Recipe Finder
📅 2024

🔗 https://github.com/praveenapanneerselvam/RECIPE-FINDER-MERN-.git
- A platform that enables users to discover and save recipes while managing a weekly meal planner. It includes user authentication and profile management.
- Technology Stack: MERN stack, Edamam API

License and Passport Appointment System
📅 2023

🔗 https://github.com/praveenapanneerselvam/LICENSE-AND-PASSPORT-APPOINTMENT-SYSTEM.git
- A scheduling system that allows users to book and manage appointments with real-time availability, user authentication, and admin management features.
- Technology Stack: Node.js, Express, JavaScript, MongoDB

Car Management System
📅 2024

🔗 https://github.com/praveenapanneerselvam/CAR-MANAGEMENT-SYSTEM.git
- A MySQL-based platform that helps users manage vehicle registrations, track maintenance schedules, and monitor expenses.
- Technology Stack: Node.js, Express, JavaScript, MySQL

Flight Booking System
📅 2023

🔗 https://github.com/praveenapanneerselvam/FLIGHT-BOOKING-SYSTEM.git
- A Java-based application that allows users to search for flights, book tickets, and manage reservations using a graphical user interface built with AWT.
- Technology Stack: Java, AWT (Abstract Window Toolkit)

ACHIEVEMENTS

- Received "Academic Excellence Award" from kongu vellalar Trust at Kongu Engineering Collge for the academic year 2023-24

- GUVI Ideathon TNAUCPL – Top 250 Finalist | Selected from Learnthon to Ideathon and presented an E-learning Platform showcasing innovative features.

INTERNSHIP

- Campus ambassador
  🟢 GUVI geeks   📅 June(2024) -Present

- JAVA programming (Internpe)   📅 Sep (2024)

- Web development (Codsoft)   📅 Aug-Sep (2024)

EDUCATION

B.Tech Information Technology
Kongu engineering college   Cgpa
📅 2022- 2026   9.34*/10

HSC
AKT academy matric   PERCENTAGE
higher secondary school   96.5/100
📅 2021- 2022

SSLC
AKT academy matric   PERCENTAGE
higher secondary school   93.8/100
📅 2019- 2020

SKILLS

Languages : C, C++, Java, Python(Beginner)
Frontend : HTML, CSS, JAVASCRIPT
Frameworks : React , Angular(Beginner)
Backend : Node.js, Express.js
Database : MySQL, MongoDB

AREAS OF INTEREST

- WEB DEVELOPMENT
- DBMS

SOFTWARE/TOOLS KNOWN

- Git & Github
- visual studio code
- Excel

SOFTSKILLS

- Leadership
- Teamwork
- versatility
- Adaptability
- Communication

LEADERSHIP

Newsletter team (HEAD)
Association of IT department ,KEC   📅 2024- 2025
